Headteacher's Newsletter

Dear Parents, Carers and Families,

As we settle into the new academic year, I'd like to extend a very warm welcome to all our families—especially those joining our school community for the first time. It's been a joy to see pupils reconnect with friends, embrace new learning experiences, and set off with enthusiasm on their journeys for the year ahead.

The term is already off to a vibrant start, filled with exciting events and activities that have brought our school community together. The energy and positivity across the school have been truly inspiring, and we're looking forward to an exceptional year ahead.

European Day of Languages – 26th September

We had a fantastic time celebrating the tapestry of languages in our school community! We greeted each other using different languages, listened to songs and rhymes from around the world, and learnt about different cultures. It was especially heartwarming for some of our pupils to hear their home languages being spoken and celebrated in school.

Community Cuppa – 30th September

Thank you to everyone who joined us for our Community Cuppa! Families and staff came together to enjoy a warm drink, delicious cake, and lovely conversations. It was a wonderful opportunity to connect and strengthen our school community. We'd love to make these gatherings even more popular—if there are any workshops, professional talks, or topics you'd be interested in, please let us know. We're happy to arrange future sessions based on your interests!

Parents' Evening – 6th October

It was a joy to welcome families into school for Parents' Evening. We celebrated how well the children have settled back into school life and shared the exciting learning journeys they've begun this term. Thank you for your continued support, it means so much to the children and staff.

National Libraries Week: Passport to Reading – 6th–10th October

At BEA, we believe that reading is for everyone and comes in many wonderful forms. During Libraries Week, we explored sensory stories, listened to audiobooks, and shared our favourite books with each other. Whether it's through touch, sound, or traditional reading, we love discovering new worlds and ideas together.

World Mental Health Day – 10th October

We turned BEA yellow in support of World Mental Health Day! Pupils took part in activities that helped them reflect on their feelings and wellbeing, including mindful colouring, exploring the Zones of Regulation, and having lots of fun together. It was a bright and joyful day that reminded us all of the importance of looking after our mental health.

In addition to our special events this term, we've continued with our regular enriching activities that help our pupils develop important life skills and experiences.

Core Word Practice Each week; we focus on a core word to support communication across the school. This helps all pupils, especially those using AAC, to build vocabulary and confidence in expressing themselves.

Tennis with Boston Tennis Club We have been enjoying tennis sessions with Boston Tennis Club. These sessions are a great way to build physical skills, coordination, and teamwork all while having fun!

Gymnastics with TJ Gymnastics We've continued our gymnastics sessions with TJ Gymnastics, which are always a hit with the children. We're also pleased to share that TJ Gymnastics offers a dedicated SEND gymnastics class on Sundays, providing an inclusive opportunity for children to enjoy movement and exercise in a supportive environment.

Trips to Boston College Our older pupils have been visiting Boston College, helping them to explore future pathways and build independence. These visits are a key part of our preparation for life beyond BEA.

Swimming at Geoff Moulder Leisure Centre Swimming is a regular part of our curriculum, and our sessions at Geoff Moulder help pupils develop water confidence, physical strength, and safety awareness.

Exploring the Local Community We regularly go out into the local community, whether it's visiting shops, parks, or other places of interest. These experiences help pupils learn about the world around them and practise important life skills such as communication, navigation, and social interaction. All of these activities are part of our intent of preparing for life after BEA by giving them meaningful, real-world experiences and helping them grow in confidence, independence, and joy.

Thank you for your continued support this term. We wish you all a restful and enjoyable two-week break and we look forward welcoming to the pupils back on the 3rd November 2025.

Looking ahead to term 2, we have a fantastic line-up of in-school activities:

- Remembrance Day – 11th November
A time for reflection and learning about the importance of remembrance.
- Anti-Bullying Week – 10th–14th November
Promoting kindness, respect, and inclusion across our school.
- Children in Need – 14th November
Celebrating all things Pudsey Bear and supporting a great cause.

- Christmas Jumper Day – 11th December

A festive and fun way to support a good cause—don your best Christmas jumper!

- Christmas Performances – 9th & 10th December

We look forward to welcoming you into school to celebrate the festive season together.

- Christmas Fayre – December (date to be confirmed)

We are currently in the midst of planning our Christmas Fayre, once a date has been finalised, we shall ensure you are aware as soon as possible. We hope you can join us and get into the festive cheer.

Thank you as always for your continued support

Yours faithfully,

Miss Laura Turner
