

Boston Endeavour Academy
PE and Sports Funding Strategy 2025/26

The PE and Sport Premium is additional government funding aimed at enhancing physical education and sport provision in primary schools. At Boston Endeavour Academy, this funding is used to improve the quality of teaching, broaden participation, and support the physical development and wellbeing of all pupils. Through the strategic allocation of this funding, the school intends to:

- Raise the standard of PE provision by developing staff expertise, enabling high-quality teaching and learning, and ensuring pupils benefit from specialist facilities and coaching not otherwise available.
- Broaden the range of sporting opportunities within the school, ensuring all pupils can access a diverse and engaging curriculum that promotes lifelong participation in physical activity.
- Expand competitive sport opportunities to build pupils' confidence, teamwork, resilience, and enjoyment in representing the school in intra- and inter-school competitions.
- Invest in appropriate resources and equipment to support effective delivery of PE and extended sports provision, ensuring safe, inclusive, and high-quality experiences for all pupils.
- Support pupil health, wellbeing, and physical development, ensuring targeted interventions, such as swimming and physiotherapy, are accessible to those who need them.

By focusing on these areas, Boston Endeavour Academy ensures that Sports Premium funding delivers tangible outcomes in pupils' physical skills, confidence, engagement, and overall wellbeing, in line with national expectations and curriculum objectives.

Current Year 6 cohort swimming proficiency

Number of Year 6 pupils= 7

- % of pupils able to swim competently, confidently, and proficiently over a distance of at least 25 metres = 0%
- % of pupils able to use a range of strokes effectively = 0%
- % of pupils able to perform safe self-rescue in different water-based situations = 0%

Sports Premium Funding:

2021/2022	Number of pupils= 102 (28 primary pupils)	£16,280
2022/2023	Number of pupils= 129 (38 primary pupils)	£16,380
2023/2024	Number of pupils= 149 (69 primary pupils)	£16,520
2024/2025	Number of pupils= 158 (75 primary pupils)	£16,620
2025/2026	Number of pupils= 160 (78 primary pupils)	£16,710

Boston Endeavour Academy
PE and Sports Funding Strategy 2025/26

2025/26 Action Plan

What	When	Why	How much	Impact statement (due September 2026)
Specialist tennis coaching delivered by staff from Boston Tennis Centre, developing pupils' technical skills, coordination, and engagement in a sporting discipline.	1x session per week	Broaden the range of sporting activities offered to pupils at Boston Endeavour Academy, encouraging increased participation, confidence, and enjoyment in physical education.	£2,500	
Specialist multi-sports coaching delivered by staff from Boston United Football Club, developing pupils' fundamental movement skills, teamwork, and engagement in physical activity.	1x session per week	Expand and diversify the range of sports opportunities available to pupils at Boston Endeavour Academy, promoting increased participation, skill development, and engagement in physical activity.	£2,610	
Enable pupils to access specialist equipment and resources at Boston Gymnasium, supporting the development of strength, coordination, and confidence in a structured sporting environment.	2x sessions per week	Enhance opportunities for pupils to engage with specialist gymnasium equipment, including foam pits, vaulting horses, and balance beams, to develop coordination, confidence, and physical skills.	£3,000
