Headteacher's Letter – Term 4

Dear Parents, Carers and Families,

As I write my final Headteacher's letter at Boston Endeavour Academy, I feel a mix of gratitude and nostalgia, because this school has shaped me in so many ways. As I come to the end of my time at Boston Endeavour Academy, I just wanted to say a heartfelt thank you to everyone who has made my time here so special. From the very beginning, I have felt incredibly supported by our dedicated staff and by our fantastic families, and it has been a real privilege to be part of such a caring and ambitious community. I am so proud of how far the school has come and, most importantly, of the confidence, resilience and achievements of our pupils, who inspire us every day. Being part of this journey - during this chapter of my career - has meant a great deal to me, and I will always be grateful for the encouragement and trust I've been given to lead the school. I will truly miss being part of everyday life at BEA, but I leave with incredible memories and a deep affection for a community that I will never forget.

Staff Updates

Amy Boden will also be leaving BEA at Easter to begin an exciting new chapter in her career. Amy has been a valued member of our school for many years. She originally joined us as an Apprentice and, through her dedication, hard work, and passion for teaching, progressed into her role as a teacher. Her journey is a real testament to her commitment to both her own professional development and to the children she has supported along the way. She has made a significant contribution to our school community, and she will be greatly missed by both staff and pupils alike. While we are very sad to see her go, we wish her every success and happiness in her new career venture. She will undoubtedly be a huge asset to her new school, just as she has been to ours. We would like to thank Amy sincerely for everything she has given to the school and wish her the very best for the future.

Whole School Events

This term we have enjoyed a number of whole-school events that have brought our community together and provided pupils with rich learning experiences. For World Book Day, we celebrated a love of reading with a special focus on the wonderful world of Julia Donaldson. Pupils took part in activities inspired by her stories, and classes enjoyed a trip into town to spend their book tokens.

We were also delighted to welcome members of the emergency services into school as part of our careers learning. Pupils had the chance to explore the vehicles on the MUGA and talk to staff about the important roles they play within our community.

Another highlight was Red Nose Day, where pupils wore red or outfits that simply made them feel happy. The day was filled with arts, crafts and cooking activities all linked to the theme, creating a joyful and memorable experience.

Enrichment Activities

Sunshines Class have enjoyed trips to Dobbies this term, engaging with the community and exploring the environment around them.

Spring Wing embraced the season by designing and creating their own Easter bonnets, which they are looking forward to proudly showcase in their parade.

Enterprise students also had an exciting visit to Boston College, where they experienced virtual reality as part of their ongoing careers and skills development.

Introduction from the Interim Headteacher – Jessica Newcombe

As we get ready for Term 5 and celebrate the achievements of Term 4, I would like to take a moment to introduce myself as I step into the role of Interim Headteacher here at BEA. Many of you will already know me from my previous work within the school, and it is a pleasure to return to a community I care deeply about.

I want to reassure you that I know this school, its pupils and its staff extremely well, and I am committed to ensuring that stability, warmth and high expectations remain at the heart of everything we do. I look forward to working closely with you, your children and our dedicated team as we continue to build, empower and achieve together.

BEA is a special place, and I feel privileged to be leading the school through the summer term.

I would also like to take this opportunity to thank Miss Laura Turner for the wonderful work she has done during her time as Headteacher. Laura has led with dedication, compassion and a deep commitment to our pupils, families and staff. Her leadership has strengthened our school community and ensured that BEA continues to be a place where children feel valued, supported and inspired. I hope to continue this fantastic work, building on the strong foundations she has put in place.

As we move into Term 5, there are several key events and opportunities for our pupils to look forward to. More information will be shared shortly, including details about Parents' Evening, but here is an overview of what's ahead:

- Earth Day – 22nd April 2026
- Parents' Evening – 29th April 2026
- Environment Day – 6th May 2026

I am excited for the term ahead and look forward to working together to ensure every pupil continues to feel supported, to be inspired and celebrated.

Finally, thank you for welcoming me, supporting me, and inspiring me every day. I will carry the memories, friendships, laughter and spirit of Boston Endeavour Academy with me always.

Best Wishes

Miss Laura Turner
Headteacher
