Pathway to Adulthood

Reading and Communication at BEA

Reading and communication are at the heart of learning at BEA. Over the last week, we have moved our library downstairs to create a more accessible and welcoming space for all pupils. We have also refreshed every classroom reading area with new resources and inviting displays to encourage a love of reading.

In September, staff will complete a Read Write Inc. refresher programme to ensure we continue to provide high-quality phonics and reading support. These developments are part of our commitment to helping every pupil become a confident communicator and enthusiastic reader.

Have a Go Day Success & Gatsby Benchmark Achievement

On Thursday 11th June, we held our annual 'Have a Go Day', giving all students the opportunity to take part in a range of exciting, hands-on activities led by local employers and businesses. We were delighted to welcome a wide range of organisations, including Boston United, Boston College, Make Up by Leanne and Greencore, alongside several other employers and business representatives who provided engaging experiences and insights into their industries. Every class attended throughout the day, and students thoroughly enjoyed trying new activities, developing their skills, and learning about different career pathways.

We are also pleased to share that, following our Summer Term Compass+ review yesterday with our Enterprise Coordinator, Donna, we have now achieved 100% across all eight Gatsby Benchmarks. This is a fantastic achievement and reflects our ongoing commitment to delivering high-quality careers education and meaningful encounters with employers and workplaces for all our students.
