

# PE and Sports Premium Funding Strategy 2020/21

The PE and Sport Premium is additional funding from the government to provide additional funding for primary school sport provision. The money is to be spent on improving and enhancing the quality and opportunity in sports provision for all children in our school.

Through the spending of this money it is the intention of The John Fielding School to:

- Raise the standard of PE provision in the school through the development of professional skills of staff
- Maximise access to specialist facilities in the community not otherwise available to pupils
- Increase the range and provision of sports opportunities within school
- Increase the range and provision of competitive sports opportunities
- Ensure the acquisition of resources to effectively deliver the extended provision

Sports Premium funding:

2019/20	Number of pupils = 62	£16,290
2020/21	Number of pupils = 65	£16,300

## 2020/21 Action Plan

<b>Total</b>			<b>£16,300</b>	

## 2019/20 Impact Statement

What	When	Why	How much	Impact Statement (Sept 20)
Provide pupils with an opportunity to access the specialist equipment and resources at Boston Gymnasium.	2 X per week	To enhance the opportunities provided for pupils to experience specialist gymnasium equipment; tread mills, exercise bikes, rowing machines	£1,400	Highly successful sessions delivered on a weekly basis to 2 classes on rotation each term until interrupted by coronavirus in March 2020. Rudi the gym teacher has supported the school by providing impact statements regarding the progress made by individual students to help capture the way in which these sessions support confidence, mobility skills and broader coordination.
Purchase equipment for sensory circuits including trampette, gym balls, peanut balls, balance board, scramble net	January 2020	To provide pupils with high quality therapy on a regular basis.	£450	Sensory circuits used on a daily basis with demonstrable impact on the ability of target pupils to maintain concentration in class.
Provide weekly rebound therapy for targeted pupils with complex physical disabilities.	1 x sessions per week	To ensure all pupils who require it have regular access to the trampoline for rebound therapy. Training for 2 members of staff. Cover to release members of staff to deliver therapy.	£2,300 (£1100 training) (£1200 staffing)	Rebound therapy has been highly valued and delivered weekly to targeted pupils and evaluations demonstrate increased engagement.
Provide swim sessions at local pool for ambulant pupils	1 x session per week	To teach swimming and water safety skills	£1,734	Almost all students really enjoy swimming sessions and new systems have been put in place to record on Tapestry impact for individuals. Developing ability to negotiate public settings, develop skills of dressing and personal hygiene as well as water safety and swimming all show increase.
Contribution towards sensory room to include servicing, maintenance and additional	On-going throughout the year	To enhance the quality and depth of physical activity equipment accessible to pupils at John Fielding on a daily	£1,000	The sensory room is used throughout the day every day to enhance skills such as visual discrimination, tracking, auditory

equipment		basis.		response, choice making, understanding of cause and effect and collaborative play.
Access 'The Biz' Dance and Performing Arts sessions	1 x session per week	To provide a community based access to inclusive dance and drama provision. Leading to improved communication, confidence and health.	£1,560	The Biz have provided valuable sessions for all students and vindicated the decision to move to this provider. The work completed with the Biz contributed to the school achieving Artsmark Silver award
Crazy for Music lessons	1 x per fortnight	To model good music teaching and support staff development in this area	£720	Jan Cross provided us with some excellent sessions and support us on our pathway to Artsmark Silver award.
Tennis lessons at Boston Tennis Centre	1 x session per week on a rota basis	To enhance the quality and depth of physical activity equipment accessible to pupils at John Fielding on a daily basis.	£425	Tennis lessons have been hugely enjoyed by pupils who have benefited from using another community resource until coronavirus prevented continuation.
Employ and train a Sports Apprentice on one year apprenticeship course	Over the course of the year	Improved capacity to deliver PE, swim and Physio programmes.	£6,700	This was a trial which we have decided not to continue in 2019/20, rather making use of a 'general' apprentice from our main programme to offer additional capacity around sports. Some issues with QA around the sports apprenticeship programme led to this decision.
