Risk Assessment For Radicalisation and Extremism

Policy Code:	SG4
RA Start Date:	**January 2023**
RA Review Date:	**January 2024**

Identify the Risk:	Who might be harmed and how:	Risk Level (as identified by the SE framework)	Existing precautions:	Any additional precautions needed:
Online safety Our pupils are at risk of engaging with content that is outside of British Values, including, accessing harmful online content and social media platforms, thus making them high risk of being radicalised.	Due to their additional needs and in many cases increased naivety and a delay in social understanding and boundaries, our pupils are particularly vulnerable to engaging with innaproprate online content. Our MLD pupils are at the greatest risk, due to their desire to 'fit in' with mainstream peers and their likelihood of high usage of online resources this could include innapproprate content.		Staff access online and face to face online safety training. Senseo is installed so that the Safeguarding Team are immediately alerted to any concerns. Online displays in the Computer Room. Information for parents and pupils is available on the school website. All staff read KCSIE part 1 and sign to say that they have understood it. All staff read the schools Child Protection and Safeguarding policy and sign to say that they have understood. Safe online practices are taught as part of the school's RSE curriculum.	**Actions:** Parent training on Prevent and Radicalisation to be arranged and delivered. To include Q and A opportunities. Pupils training on Prevent and Radicalisation to be arranged and delivered. Teacher training- We are on the waiting list for Prevent training to be delivered by the Prevent Trainer training sessions at schools for teachers. Date and time TBC.
Vulnerability in the local community Our pupils are at risk of engaging with content that is outside of British Values when out in the local and wider community, including being exposed to the extreme view of those	Due to their additional needs and in many cases increased naivety and a delay in social understanding and boundaries, our pupils are particularly vulnerable to engaging with unsafe people and practices. Our		Staff access annual online and face to face Prevent and Radicalisation training. Senseo is installed so that the Safeguarding Team are immediately alerted to any concerns. around them, thus making them high risk of being radicalised. In the most recent C*ounter Terrorism Policing Report from East Midlands 2023*, extreme right wing terrorism has been recognised as an area of concern. It has been identified that activity inlincolnshire is mostly online involving young people inspired by conspiracy theories and racist stereotypes about ethnic minorities. Many believe that violent action to protect white people is justified.	MLD pupils are at the greatest risk, due to their desire to 'fit in' with mainstream peers.		school website. All staff read KCSIE part 1 and sign to say that they have understood it. All staff read the schools Child Protection and Safeguarding policy and sign to say that they have understood. Stranger danger taught as part of the school's RSE curriculum. Pupils are taught and regularly reminded about who they can come to in school with any concerns about themselves or those around them during lessons and signposting around school. Keeping safe/wellbeing section on termly newsletter.	Community Safety Strategy Co-ordinator, who leads on Prevent. Parent training on Prevent and Radicalisation to be arranged and delivered. To include Q and A opportunities. Pupils training on Prevent and Radicalisation to be arranged and delivered. Teacher training- We are on the waiting list for Prevent training to be delivered by the Prevent Trainer training sessions at schools for teachers. Date and time TBC.
<u>Pupil inability to critically assess information shared to them online and offline</u> In the most recent C*ounter Terrorism Policing Report from East Midlands 2023*, extreme right wing terrorism has been recognised as an area of concern. It has been identified that hostile	Due to their additional needs and in many cases increased naivety and a delay in social understanding and boundaries, our pupils are particularly vulnerable to understanding potential dangers and hazards presented with information shared to them in all contexts. Examples of this include, online chat forums,		Staff access annual online and face to face Prevent and Radicalisation training. Senseo is installed so that the Safeguarding Team are immediately alerted to any concerns. Information for parents and pupils is available on the school website. All staff read KCSIE part 1 and sign to say that they have understood it.	**Actions:** PCSO visits to school. Access the the *Educate Against Hate* website and supporting materials and resources available at https://educateagainsthate.com/ Information sought and recevide from the local Community Safety Strategy Co-ordinator, who leads on Prevent. Parent training on Prevent and

reconnoissance is a concern. Budding terrorists conduct research as part of their attack planning. Signs to look out for include: loitering in restricted or non public areas. Observing or photographing entrances, exit exits, seek cameras, security features or staff. Asking unusual questions. Hiding their faces or using a disguise. Vehicles retracing routes, parked out of place or abandoned.	all social media platforms and social situations with peers and strangers or less familiar people. Our pupils are especially susceptible to Hostile Reconnaissance due to their challenges with recognising and understanding unacceptable social behaviours.		All staff read the schools Child Protection and Safeguarding policy and sign to say that they have understood. Stranger danger taught as part of the school's RSE curriculum. Pupils are taught and regularly reminded about who they can come to in school with any concerns about themselves or those around them during lessons and signposting around school.	Radicalisation to be arranged and delivered. To include Q and A opportunities. Pupils training on Prevent and Radicalisation to be arranged and delivered. Teacher training- We are on the waiting list for Prevent training to be delivered by the Prevent Trainer training sessions at schools for teachers. Date and time TBC. Additional signposting on the school website and Facebook page.
