

## PE and Sports Funding Strategy 2023/24

The PE and Sport Premium is additional funding from the government to provide additional funding for primary school sport provision. The money is to be spent on improving and enhancing the quality and opportunity in sports provision for all children in our school. Through the spending of this money, it is the intention of Boston Endeavour Academy to:

- Raise the standard of PE provision in the school through the development of professional skills of staff. Maximise access to specialist facilities in the community not otherwise available to pupils
- Increase the range under provision of sports opportunities within school
- Increase the range and provision of competitive sports opportunities
- Ensure the acquisition of resources to effectively deliver the extended provision

### Sports Premium Funding:

2021/2022	Number of pupils= 102 (28 primary pupils)	£16,280
2022/2023	Number of pupils= 129 (38 primary pupils)	£16,380
2023/2024	Number of pupils= 149 (69 primary pupils)	£16,520

2022/23 Action Plan

What	When	Why	How much	Impact statement (due September 2023)
Contribution towards employment of a Sports Apprentice and Sports TA2 to provide additional capacity to support on and off site physical activities.	Over the course of the year.	Improved capacity to deliver PE, swimming and Physio programmes.	£8,380	The introduction of a Sports TA2 has been successful in providing well planned and structured physical activities that have been adapted to meet the needs of individual pupils and classes. Additionally, the school were successful in achieving the silver Skills Builder award partly due to the implementation of the essential skills in all PE lessons.
Tennis lessons taught by staff from Boston Tennis Centre.	1x session per week	To enhance the range of sports options available to pupils at Boston Endeavour Academy.	£1,200	This continues to be a hugely popular activity with most pupils. The sessions helped to develop the pupils' experiences of a particular sport and provided valuable opportunities to engage with peers and visiting professionals.
Provide pupils with an opportunity to access the specialist equipment and resources at Boston Gymnasium.	2x sessions per week	To enhance the opportunities provided for pupils to experience specialist gymnasium equipment; foam pit, vaulting horses, balance beams.	£2,300	The visits to the gymnasium are popular with those pupils visiting and have been beneficial to those attending through improved physical skills and emotional wellbeing. The sessions helped to develop the pupils' experiences of a particular sport and provided valuable opportunities to engage with peers and visiting professionals.
Provide swim sessions at a local training pool.	2x sessions per week	To teach swimming and water safety skills.	£1,500	Most pupils enjoy swimming sessions. Impact and enjoyment recorded on Tapestry and/or Evidence for Learning shows the effectiveness of the therapy. Enhanced learning opportunities included, experiencing public places,
